

MAKE SLICK WORK
OUT OF AWKWARD JOBS
WITH THE EXCLUSIVE*

Sprunger Slap Vise®

HOLD IT!

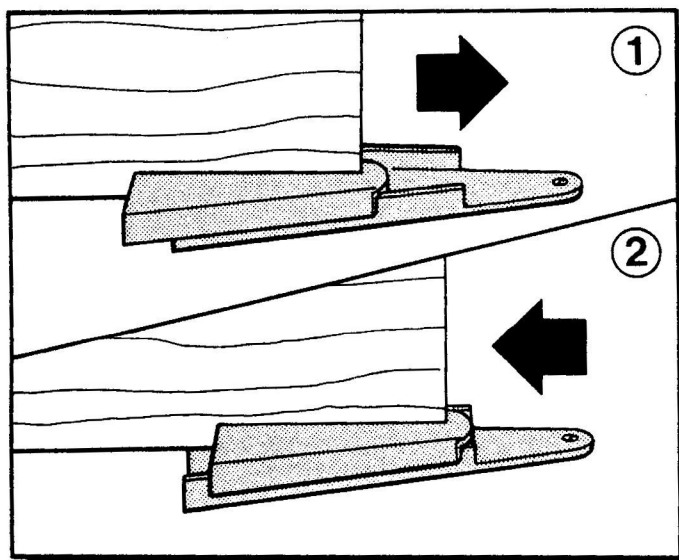

**only
\$19.95**

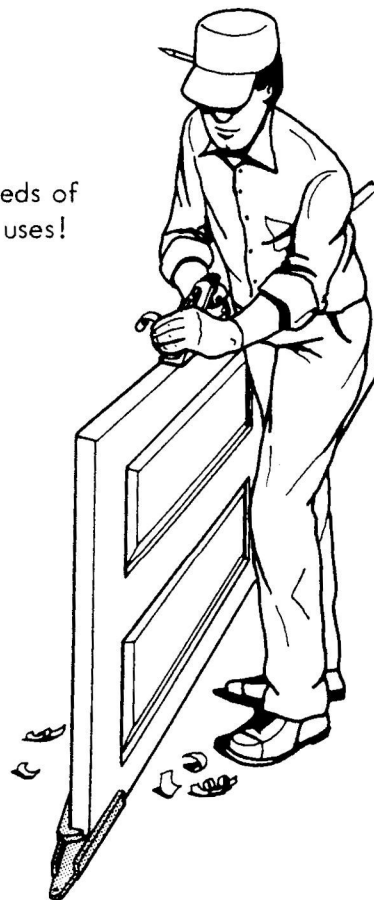

- Positive Grip
- Quick Action
- Holds Any Thickness From 0" To 2"
- Holds Long Or Short Boards Steady, Making Them Easy To Plane Or Square.
- Safe - Jobs That Slip Cause Accidents!

A tool for contractors, home builders, home workshops, cabinet makers and pattern makers.

Has hundreds of different uses!

- ① To operate Slap Vise®, set workpiece against movable jaw and "SLAP-CLOSED." Workpiece now clamped firmly in vise - both hands are free, ready for job.
- ② To release, "SLAP-OPEN." Simple, easy and quick!

When Mounted On Floor, SLAP-VISE® Converts Often Wasted Space Into Handy Work Station.

*This is an original design - This SLAP-VISE® can be obtained Nowhere Else but:
